

# Cleaved-ITIH2 (D702) Antibody

|                            |                                                                                                                                                                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA000075                                                                                                                                                                                                                         |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                                                                        |
| <b>Uniprot No.</b>         | P19823                                                                                                                                                                                                                               |
| <b>Immunogen</b>           | Synthesized peptide derived from the Internal region of Human ITI-H2.                                                                                                                                                                |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                                                                               |
| <b>Species Reactivity</b>  | Human                                                                                                                                                                                                                                |
| <b>Tested Applications</b> | WB,ELISA;WB:1/500-1/2000.ELISA:1/10000                                                                                                                                                                                               |
| <b>Form</b>                | Liquid                                                                                                                                                                                                                               |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                                                                                       |
| <b>Storage Buffer</b>      | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                                                              |
| <b>Purification Method</b> | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                                                                |
| <b>Isotype</b>             | IgG                                                                                                                                                                                                                                  |
| <b>Alias</b>               | ITIH2; IGHEP2; Inter-alpha-trypsin inhibitor heavy chain H2; ITI heavy chain H2; ITI-HC2; Inter-alpha-inhibitor heavy chain 2; Inter-alpha-trypsin inhibitor complex component II; Serum-derived hyaluronan-associated protein; SHAP |
| <b>Species</b>             | Homo sapiens (Human)                                                                                                                                                                                                                 |
| <b>Target Names</b>        | ITIH2                                                                                                                                                                                                                                |
