

# BACH1 Antibody

|                            |                                                                                                                                                                                               |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA002526ESR2HU                                                                                                                                                                            |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                                 |
| <b>Uniprot No.</b>         | O14867                                                                                                                                                                                        |
| <b>Immunogen</b>           | Recombinant Human Transcription regulator protein BACH1 protein (1-320AA)                                                                                                                     |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                                        |
| <b>Species Reactivity</b>  | Human                                                                                                                                                                                         |
| <b>Tested Applications</b> | ELISA, IHC; Recommended dilution: IHC:1:20-1:200                                                                                                                                              |
| <b>Relevance</b>           | Transcriptional regulator that acts as repressor or activator. Binds, in vitro, to NF-E2 binding sites. Play important roles in coordinating transcription activation and repression by MAFK. |
| <b>Form</b>                | Liquid                                                                                                                                                                                        |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                                                |
| <b>Storage Buffer</b>      | PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                                                                                                                                             |
| <b>Purification Method</b> | Antigen Affinity Purified                                                                                                                                                                     |
| <b>Isotype</b>             | IgG                                                                                                                                                                                           |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                                    |
| <b>Alias</b>               | Transcription regulator protein BACH1 (BTB and CNC homolog 1) (HA2303), BACH1                                                                                                                 |
| <b>Species</b>             | Human                                                                                                                                                                                         |
| <b>Research Area</b>       | Epigenetics and Nuclear Signaling                                                                                                                                                             |
| <b>Target Names</b>        | BACH1                                                                                                                                                                                         |

## Image

Immunohistochemistry of paraffin-embedded human testis tissue using CSB-PA002526ESR2HU at dilution of 1:100
