

# PTGR1 Antibody

|                            |                                                                                                                                          |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA003169                                                                                                                             |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                            |
| <b>Uniprot No.</b>         | Q14914                                                                                                                                   |
| <b>Immunogen</b>           | Synthesized peptide derived from the Internal region of Human LTB4DH.                                                                    |
| <b>Raised In</b>           | Rabbit                                                                                                                                   |
| <b>Species Reactivity</b>  | Human                                                                                                                                    |
| <b>Tested Applications</b> | WB,ELISA;WB:1/500-1/2000.ELISA:1/5000                                                                                                    |
| <b>Form</b>                | Liquid                                                                                                                                   |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                           |
| <b>Storage Buffer</b>      | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                  |
| <b>Purification Method</b> | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                    |
| <b>Isotype</b>             | IgG                                                                                                                                      |
| <b>Alias</b>               | PTGR1; LTB4DH; Prostaglandin reductase 1; PRG-1; 15-oxoprostaglandin 13-reductase; NADP-dependent leukotriene B4 12-hydroxydehydrogenase |
| <b>Species</b>             | Homo sapiens (Human)                                                                                                                     |
| <b>Target Names</b>        | PTGR1                                                                                                                                    |
