

# CCNJL Antibody

|                            |                                                                                  |
|----------------------------|----------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA004826LA01HU                                                               |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                    |
| <b>Uniprot No.</b>         | Q8IV13                                                                           |
| <b>Immunogen</b>           | Recombinant Human Cyclin-J-like protein (315-435AA)                              |
| <b>Raised In</b>           | Rabbit                                                                           |
| <b>Species Reactivity</b>  | Human, Mouse                                                                     |
| <b>Tested Applications</b> | ELISA, WB, IHC; Recommended dilution: WB:1:500-2000, IHC:1:20-1:200              |
| <b>Form</b>                | Liquid                                                                           |
| <b>Conjugate</b>           | Non-conjugated                                                                   |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4 |
| <b>Purification Method</b> | >95%, Protein G purified                                                         |
| <b>Isotype</b>             | IgG                                                                              |
| <b>Clonality</b>           | Polyclonal                                                                       |
| <b>Alias</b>               | Cyclin-J-like protein, CCNJL                                                     |
| <b>Species</b>             | Human                                                                            |
| <b>Research Area</b>       | Cell Biology                                                                     |
| <b>Target Names</b>        | CCNJL                                                                            |

## Image

### Western blot

All lanes: CCNJL antibody at 3μg/ml

Lane 1: U251 whole cell lysate

Lane 2: Mouse liver tissue

### Secondary

Goat polyclonal to Rabbit IgG at 1/10000 dilution

Predicted band size: 49, 19 kDa

Observed band size: 49 kDa

### Immunohistochemistry of paraffin-embedded

human pancreatic tissue using CSB-

PA004826LA01HU at dilution of 1:100

Immunohistochemistry of paraffin-embedded human small intestine tissue using CSB-PA004826LA01HU at dilution of 1:100
