

# BCL6 Antibody

|                            |                                                                                                                                                                                              |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA005439                                                                                                                                                                                 |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                                |
| <b>Uniprot No.</b>         | P41182                                                                                                                                                                                       |
| <b>Immunogen</b>           | Synthesized peptide derived from the Internal region of Human Bcl-6.                                                                                                                         |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                                       |
| <b>Species Reactivity</b>  | Human,Mouse,Rat                                                                                                                                                                              |
| <b>Tested Applications</b> | WB,ELISA;WB:1/500-1/2000.ELISA:1/20000                                                                                                                                                       |
| <b>Form</b>                | Liquid                                                                                                                                                                                       |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                                               |
| <b>Storage Buffer</b>      | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                      |
| <b>Purification Method</b> | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                        |
| <b>Isotype</b>             | IgG                                                                                                                                                                                          |
| <b>Alias</b>               | BCL6; BCL5; LAZ3; ZBTB27; ZNF51; B-cell lymphoma 6 protein; BCL-6; B-cell lymphoma 5 protein; BCL-5; Protein LAZ-3; Zinc finger and BTB domain-containing protein 27; Zinc finger protein 51 |
| <b>Species</b>             | Homo sapiens (Human)                                                                                                                                                                         |
| <b>Target Names</b>        | BCL6                                                                                                                                                                                         |
