

# Col1a1 Antibody

|                            |                                                                                  |
|----------------------------|----------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA005727YA01RA                                                               |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                    |
| <b>Uniprot No.</b>         | P02454                                                                           |
| <b>Immunogen</b>           | Recombinant Rat Collagen alpha-1(I) chain protein (955-1207AA)                   |
| <b>Raised In</b>           | Rabbit                                                                           |
| <b>Species Reactivity</b>  | Rat, Human                                                                       |
| <b>Tested Applications</b> | ELISA, IHC; Recommended dilution: IHC:1:20-1:200                                 |
| <b>Form</b>                | Liquid                                                                           |
| <b>Conjugate</b>           | Non-conjugated                                                                   |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4 |
| <b>Purification Method</b> | >95%, Protein G purified                                                         |
| <b>Isotype</b>             | IgG                                                                              |
| <b>Clonality</b>           | Polyclonal                                                                       |
| <b>Alias</b>               | Collagen alpha-1(I) chain (Alpha-1 type I collagen), Col1a1                      |
| <b>Species</b>             | Rat                                                                              |
| <b>Research Area</b>       | Others                                                                           |
| <b>Target Names</b>        | Col1a1                                                                           |
