

# FAH Antibody, Biotin conjugated

|                     |                                                                                                                                                                                                             |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Code        | CSB-PA007965LD01HU                                                                                                                                                                                          |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                                               |
| Uniprot No.         | P16930                                                                                                                                                                                                      |
| Immunogen           | Recombinant Human Fumarylacetoacetase protein (2-250AA)                                                                                                                                                     |
| Raised In           | Rabbit                                                                                                                                                                                                      |
| Species Reactivity  | Human                                                                                                                                                                                                       |
| Tested Applications | ELISA                                                                                                                                                                                                       |
| Relevance           | cytosol, extracellular exosome, fumarylacetoacetase activity, cellular nitrogen compound metabolic process, L-phenylalanine catabolic process, small molecule metabolic process, tyrosine catabolic process |
| Form                | Liquid                                                                                                                                                                                                      |
| Conjugate           | Biotin                                                                                                                                                                                                      |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                                                                                                                            |
| Purification Method | >95%, Protein G purified                                                                                                                                                                                    |
| Isotype             | IgG                                                                                                                                                                                                         |
| Clonality           | Polyclonal                                                                                                                                                                                                  |
| Alias               | Fumarylacetoacetase (FAA) (EC 3.7.1.2) (Beta-diketonase)<br>(Fumarylacetoacetate hydrolase), FAH                                                                                                            |
| Species             | Homo sapiens (Human)                                                                                                                                                                                        |
