

# IGLL1 Antibody

|                            |                                                                                                                                                                                                  |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA009526                                                                                                                                                                                     |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                                    |
| <b>Uniprot No.</b>         | P15814                                                                                                                                                                                           |
| <b>Immunogen</b>           | Synthesized peptide derived from the C-terminal region of Human Lambda 5.                                                                                                                        |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                                           |
| <b>Species Reactivity</b>  | Human                                                                                                                                                                                            |
| <b>Tested Applications</b> | IHC,ELISA;IHC:1/100-1/300.ELISA:1/40000                                                                                                                                                          |
| <b>Form</b>                | Liquid                                                                                                                                                                                           |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                                                   |
| <b>Storage Buffer</b>      | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                          |
| <b>Purification Method</b> | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                            |
| <b>Isotype</b>             | IgG                                                                                                                                                                                              |
| <b>Alias</b>               | IGLL1; IGL1; Immunoglobulin lambda-like polypeptide 1; CD179 antigen-like family member B; Ig lambda-5; Immunoglobulin omega polypeptide; Immunoglobulin-related protein 14.1; CD antigen CD179b |
| <b>Species</b>             | Homo sapiens (Human)                                                                                                                                                                             |
| <b>Target Names</b>        | IGLL1                                                                                                                                                                                            |
