

# LAMA2 Antibody

|                            |                                                                                                                                                        |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA009763                                                                                                                                           |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                          |
| <b>Uniprot No.</b>         | P24043                                                                                                                                                 |
| <b>Immunogen</b>           | Synthesized peptide derived from the Internal region of Human Laminin $\alpha$ -2.                                                                     |
| <b>Raised In</b>           | Rabbit                                                                                                                                                 |
| <b>Species Reactivity</b>  | Human, Mouse                                                                                                                                           |
| <b>Tested Applications</b> | IHC, IF, ELISA; IHC: 1/100-1/300. IF: 1/200-1/1000. ELISA: 1/20000                                                                                     |
| <b>Form</b>                | Liquid                                                                                                                                                 |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                         |
| <b>Storage Buffer</b>      | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                |
| <b>Purification Method</b> | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                  |
| <b>Isotype</b>             | IgG                                                                                                                                                    |
| <b>Alias</b>               | LAMA2; LAMM; Laminin subunit alpha-2; Laminin M chain; Laminin-12 subunit alpha; Laminin-2 subunit alpha; Laminin-4 subunit alpha; Merosin heavy chain |
| <b>Species</b>             | Homo sapiens (Human)                                                                                                                                   |
| <b>Target Names</b>        | LAMA2                                                                                                                                                  |
