

# MPRIP Antibody

|                     |                                                                                       |
|---------------------|---------------------------------------------------------------------------------------|
| Product Code        | CSB-PA014769GA01HU                                                                    |
| Abbreviation        | MPRIP                                                                                 |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                         |
| Uniprot No.         | Q6WCQ1                                                                                |
| Immunogen           | Human MPRIP                                                                           |
| Raised In           | Rabbit                                                                                |
| Species Reactivity  | Human,Mouse,Rat                                                                       |
| Tested Applications | ELISA,WB,IHC,IF                                                                       |
| Storage Buffer      | PBS with 0.02% Sodium Azide, 50% Glycerol, pH 7.3. -20°C, Avoid freeze / thaw cycles. |
| Purification Method | Antigen Affinity purified                                                             |
| Isotype             | IgG                                                                                   |
| Alias               | myosin phosphatase Rho interacting protein;MPRIP;KIAA0864;M-RIP;RHOIP3;p116Rip ;      |
| Product Type        | Purified Rabbit Anti Human,Mouse PolyClonal Antibody                                  |
| Species             | Homo sapiens (Human)                                                                  |
| Target Names        | MPRIP                                                                                 |
