

# MST1R Antibody

|                            |                                                                                                 |
|----------------------------|-------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA015056GA01HU                                                                              |
| <b>Abbreviation</b>        | MST1R                                                                                           |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                   |
| <b>Uniprot No.</b>         | Q04912                                                                                          |
| <b>Immunogen</b>           | Human MST1R                                                                                     |
| <b>Raised In</b>           | Rabbit                                                                                          |
| <b>Species Reactivity</b>  | Human,Mouse,Rat                                                                                 |
| <b>Tested Applications</b> | ELISA,WB                                                                                        |
| <b>Storage Buffer</b>      | PBS with 0.1% Sodium Azide, 50% Glycerol, pH 7.3. -20°C, Avoid freeze / thaw cycles.            |
| <b>Purification Method</b> | Antigen Affinity Purified                                                                       |
| <b>Isotype</b>             | IgG                                                                                             |
| <b>Alias</b>               | macrophage stimulating 1 receptor (c-met-related tyrosine kinase);MST1R;CD136;CDw136;PTK8;RON ; |
| <b>Product Type</b>        | Purified Rabbit Anti Homo sapiens PolyClonal Antibody                                           |
| <b>Species</b>             | Homo sapiens (Human)                                                                            |
| <b>Target Names</b>        | MST1R                                                                                           |
