

# PCOLCE2 Antibody, FITC conjugated

|                            |                                                                                                                                                         |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA017632LC01HU                                                                                                                                      |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                           |
| <b>Uniprot No.</b>         | Q9UKZ9                                                                                                                                                  |
| <b>Immunogen</b>           | Recombinant Human Procollagen C-endopeptidase enhancer 2 protein (24-415AA)                                                                             |
| <b>Raised In</b>           | Rabbit                                                                                                                                                  |
| <b>Species Reactivity</b>  | Human                                                                                                                                                   |
| <b>Tested Applications</b> | ELISA                                                                                                                                                   |
| <b>Relevance</b>           | Binds to the C-terminal propeptide of types I and II procollagens and may enhance the cleavage of that propeptide by BMP1.                              |
| <b>Form</b>                | Liquid                                                                                                                                                  |
| <b>Conjugate</b>           | FITC                                                                                                                                                    |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                                                                        |
| <b>Purification Method</b> | >95%, Protein G purified                                                                                                                                |
| <b>Isotype</b>             | IgG                                                                                                                                                     |
| <b>Clonality</b>           | Polyclonal                                                                                                                                              |
| <b>Alias</b>               | Procollagen C-endopeptidase enhancer 2 (Procollagen COOH-terminal proteinase enhancer 2) (PCPE-2) (Procollagen C-proteinase enhancer 2), PCOLCE2, PCPE2 |
| <b>Species</b>             | Homo sapiens (Human)                                                                                                                                    |
| <b>Research Area</b>       | Signal Transduction                                                                                                                                     |
| <b>Target Names</b>        | PCOLCE2                                                                                                                                                 |
