

# PKLR Antibody, FITC conjugated

|                            |                                                                                                                                                                       |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA018071LC01HU                                                                                                                                                    |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                         |
| <b>Uniprot No.</b>         | P30613                                                                                                                                                                |
| <b>Immunogen</b>           | Recombinant Human Pyruvate kinase PKLR protein (1-574AA)                                                                                                              |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                |
| <b>Species Reactivity</b>  | Human                                                                                                                                                                 |
| <b>Tested Applications</b> | ELISA                                                                                                                                                                 |
| <b>Relevance</b>           | Plays a key role in glycolysis.                                                                                                                                       |
| <b>Form</b>                | Liquid                                                                                                                                                                |
| <b>Conjugate</b>           | FITC                                                                                                                                                                  |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                                                                                      |
| <b>Purification Method</b> | >95%, Protein G purified                                                                                                                                              |
| <b>Isotype</b>             | IgG                                                                                                                                                                   |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                            |
| <b>Alias</b>               | Pyruvate kinase PKLR (EC 2.7.1.40) (Pyruvate kinase 1) (Pyruvate kinase isozymes L/R) (R-type/L-type pyruvate kinase) (Red cell/liver pyruvate kinase), PKLR, PK1 PKL |
| <b>Species</b>             | Homo sapiens (Human)                                                                                                                                                  |
| <b>Research Area</b>       | Signal Transduction                                                                                                                                                   |
| <b>Target Names</b>        | PKLR                                                                                                                                                                  |
