

# RAB2B Antibody

|                     |                                                                                      |
|---------------------|--------------------------------------------------------------------------------------|
| Product Code        | CSB-PA019181GA01HU                                                                   |
| Abbreviation        | RAB2B                                                                                |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                        |
| Uniprot No.         | Q8WUD1                                                                               |
| Immunogen           | Human RAB2B                                                                          |
| Raised In           | Rabbit                                                                               |
| Species Reactivity  | Human,Mouse,Rat                                                                      |
| Tested Applications | ELISA,WB                                                                             |
| Storage Buffer      | PBS with 0.1% Sodium Azide, 50% Glycerol, pH 7.3. -20°C, Avoid freeze / thaw cycles. |
| Purification Method | Antigen Affinity Purified                                                            |
| Isotype             | IgG                                                                                  |
| Alias               | RAB2B, member RAS oncogene family;RAB2B;FLJ14824 ;                                   |
| Product Type        | Purified Rabbit Anti human PolyClonal Antibody                                       |
| Species             | Homo sapiens (Human)                                                                 |
| Target Names        | RAB2B                                                                                |
