

# STX10 Antibody

|                            |                                                                                           |
|----------------------------|-------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA022888HA01HU                                                                        |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                             |
| <b>Uniprot No.</b>         | O60499                                                                                    |
| <b>Immunogen</b>           | Recombinant Human Syntaxin-10 protein (2-228AA)                                           |
| <b>Raised In</b>           | Rabbit                                                                                    |
| <b>Species Reactivity</b>  | Human                                                                                     |
| <b>Tested Applications</b> | ELISA, IHC; Recommended dilution: IHC:1:20-1:200                                          |
| <b>Relevance</b>           | SNARE involved in vesicular transport from the late endosomes to the trans-Golgi network. |
| <b>Form</b>                | Liquid                                                                                    |
| <b>Conjugate</b>           | Non-conjugated                                                                            |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4          |
| <b>Purification Method</b> | >95%, Protein G purified                                                                  |
| <b>Isotype</b>             | IgG                                                                                       |
| <b>Clonality</b>           | Polyclonal                                                                                |
| <b>Alias</b>               | Syntaxin-10 (Syn10), STX10, SYN10                                                         |
| <b>Species</b>             | Human                                                                                     |
| <b>Research Area</b>       | Others                                                                                    |
| <b>Target Names</b>        | STX10                                                                                     |
