

# ZNF610 Antibody

|                            |                                                                                  |
|----------------------------|----------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA026890LA01HU                                                               |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                    |
| <b>Uniprot No.</b>         | Q8N9Z0                                                                           |
| <b>Immunogen</b>           | Recombinant Human Zinc finger protein 610 protein (1-200AA)                      |
| <b>Raised In</b>           | Rabbit                                                                           |
| <b>Species Reactivity</b>  | Human                                                                            |
| <b>Tested Applications</b> | ELISA, WB; Recommended dilution: WB:1:500-1:2000                                 |
| <b>Relevance</b>           | May be involved in transcriptional regulation.                                   |
| <b>Form</b>                | Liquid                                                                           |
| <b>Conjugate</b>           | Non-conjugated                                                                   |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4 |
| <b>Purification Method</b> | >95%, Protein G purified                                                         |
| <b>Isotype</b>             | IgG                                                                              |
| <b>Clonality</b>           | Polyclonal                                                                       |
| <b>Alias</b>               | Zinc finger protein 610, ZNF610                                                  |
| <b>Species</b>             | Human                                                                            |
| <b>Research Area</b>       | Others                                                                           |
| <b>Target Names</b>        | ZNF610                                                                           |

## Image

### Western blot

All lanes: ZNF610 antibody at 7µg/ml + MCF-7 whole cell lysate

Secondary

Goat polyclonal to rabbit IgG at 1/10000 dilution

Predicted band size: 54, 49 kDa

Observed band size: 54 kDa
