

# ZNF98 Antibody

|                            |                                                                                             |
|----------------------------|---------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA027106LA01HU                                                                          |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                               |
| <b>Uniprot No.</b>         | A6NK75                                                                                      |
| <b>Immunogen</b>           | Recombinant Human Zinc finger protein 98 protein (1-135AA)                                  |
| <b>Raised In</b>           | Rabbit                                                                                      |
| <b>Species Reactivity</b>  | Human                                                                                       |
| <b>Tested Applications</b> | ELISA, IF; Recommended dilution: IF:1:50-1:200                                              |
| <b>Relevance</b>           | May be involved in transcriptional regulation.                                              |
| <b>Form</b>                | Liquid                                                                                      |
| <b>Conjugate</b>           | Non-conjugated                                                                              |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4            |
| <b>Purification Method</b> | >95%, Protein G purified                                                                    |
| <b>Isotype</b>             | IgG                                                                                         |
| <b>Clonality</b>           | Polyclonal                                                                                  |
| <b>Alias</b>               | Zinc finger protein 98 (Zinc finger protein 739) (Zinc finger protein F7175), ZNF98, ZNF739 |
| <b>Species</b>             | Homo sapiens (Human)                                                                        |
| <b>Research Area</b>       | Others                                                                                      |
| <b>Target Names</b>        | ZNF98                                                                                       |
