

# PMS2CL/PMS2 Antibody

|                            |                                                                                                                                                                |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA030102                                                                                                                                                   |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                  |
| <b>Uniprot No.</b>         | Q68D20/P54278                                                                                                                                                  |
| <b>Immunogen</b>           | Synthesized peptide derived from the C-terminal region of Human PMS2/PMS2CL.                                                                                   |
| <b>Raised In</b>           | Rabbit                                                                                                                                                         |
| <b>Species Reactivity</b>  | Human                                                                                                                                                          |
| <b>Tested Applications</b> | IHC,ELISA;IHC:1/100-1/300.ELISA:1/5000                                                                                                                         |
| <b>Form</b>                | Liquid                                                                                                                                                         |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                 |
| <b>Storage Buffer</b>      | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                        |
| <b>Purification Method</b> | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                          |
| <b>Isotype</b>             | IgG                                                                                                                                                            |
| <b>Alias</b>               | PMS2CL; Protein PMS2CL; PMS2-C terminal-like protein; PMS2; PMSL2; Mismatch repair endonuclease PMS2; DNA mismatch repair protein PMS2; PMS1 protein homolog 2 |
| <b>Target Names</b>        | PMS2CL/PMS2                                                                                                                                                    |
