

# Phospho-PTK2 (S843) Antibody

|                            |                                                                                                                                                                                                     |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA040072                                                                                                                                                                                        |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                                       |
| <b>Uniprot No.</b>         | Q05397                                                                                                                                                                                              |
| <b>Immunogen</b>           | Synthesized peptide derived from Human FAK around the phosphorylation site of S843.                                                                                                                 |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                                              |
| <b>Species Reactivity</b>  | Human,Mouse,Rat                                                                                                                                                                                     |
| <b>Tested Applications</b> | WB,ELISA;WB:1/500-1/2000.ELISA:1/40000                                                                                                                                                              |
| <b>Form</b>                | Liquid                                                                                                                                                                                              |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                                                      |
| <b>Storage Buffer</b>      | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                             |
| <b>Purification Method</b> | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                               |
| <b>Isotype</b>             | IgG                                                                                                                                                                                                 |
| <b>Alias</b>               | PTK2; FAK; FAK1; Focal adhesion kinase 1; FADK 1; Focal adhesion kinase-related nonkinase; FRNK; Protein phosphatase 1 regulatory subunit 71; PPP1R71; Protein-tyrosine kinase 2; p125FAK; pp125FAK |
| <b>Species</b>             | Homo sapiens (Human)                                                                                                                                                                                |
| <b>Target Names</b>        | PTK2                                                                                                                                                                                                |
