

# RBBP8 Antibody

|                            |                                                                                                                                                                                                                                     |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA040180                                                                                                                                                                                                                        |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                                                                       |
| <b>Uniprot No.</b>         | Q99708                                                                                                                                                                                                                              |
| <b>Immunogen</b>           | Synthesized peptide derived from Human CtIP around the non-phosphorylation site of S664.                                                                                                                                            |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                                                                              |
| <b>Species Reactivity</b>  | Human,Mouse                                                                                                                                                                                                                         |
| <b>Tested Applications</b> | IHC,ELISA;IHC:1/100-1/300.ELISA:1/5000                                                                                                                                                                                              |
| <b>Form</b>                | Liquid                                                                                                                                                                                                                              |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                                                                                      |
| <b>Storage Buffer</b>      | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                                                             |
| <b>Purification Method</b> | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                                                               |
| <b>Isotype</b>             | IgG                                                                                                                                                                                                                                 |
