

# Phospho-RUNX1 (S276) Antibody

|                     |                                                                                                                                                                                                                                                 |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Code        | CSB-PA070103                                                                                                                                                                                                                                    |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                                                                                   |
| Uniprot No.         | Q01196                                                                                                                                                                                                                                          |
| Immunogen           | Synthesized peptide derived from Human RUNX1 around the phosphorylation site of S276.                                                                                                                                                           |
| Raised In           | Rabbit                                                                                                                                                                                                                                          |
| Species Reactivity  | Human, Mouse, Rat                                                                                                                                                                                                                               |
| Tested Applications | WB, IHC, ELISA; WB: 1/500-1/2000. IHC: 1/100-1/300. ELISA: 1/5000                                                                                                                                                                               |
| Form                | Liquid                                                                                                                                                                                                                                          |
| Conjugate           | Non-conjugated                                                                                                                                                                                                                                  |
| Storage Buffer      | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                                                                         |
| Purification Method | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                                                                           |
| Isotype             | IgG                                                                                                                                                                                                                                             |
