

# NAPSA Antibody

|                            |                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA11529A0Rb                                                                                      |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                        |
| <b>Uniprot No.</b>         | O96009                                                                                               |
| <b>Immunogen</b>           | Recombinant Human Napsin-A protein (64-420AA)                                                        |
| <b>Raised In</b>           | Rabbit                                                                                               |
| <b>Species Reactivity</b>  | Human, Mouse                                                                                         |
| <b>Tested Applications</b> | ELISA, WB, IHC; Recommended dilution: WB:1:1000-1:5000, IHC:1:20-1:200                               |
| <b>Relevance</b>           | May be involved in processing of pneumocyte surfactant precursors.                                   |
| <b>Form</b>                | Liquid                                                                                               |
| <b>Conjugate</b>           | Non-conjugated                                                                                       |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                     |
| <b>Purification Method</b> | >95%, Protein G purified                                                                             |
| <b>Isotype</b>             | IgG                                                                                                  |
| <b>Clonality</b>           | Polyclonal                                                                                           |
| <b>Alias</b>               | Napsin-A (EC 3.4.23.-) (Aspartyl protease 4) (ASP4) (Asp 4) (Napsin-1) (TA01/TA02), NAPSA, NAP1 NAPA |
| <b>Species</b>             | Human                                                                                                |
| <b>Research Area</b>       | Tags & Cell Markers                                                                                  |
| <b>Target Names</b>        | NAPSA                                                                                                |

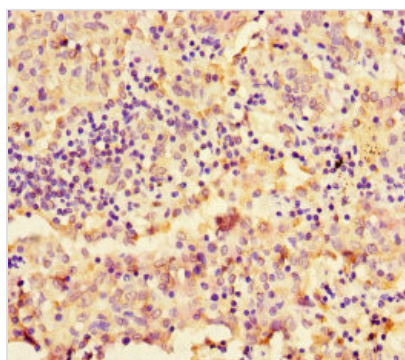

## Image

Western blot  
All lanes: NAPSA antibody at 2µg/ml + Mouse kidney tissue  
Secondary  
Goat polyclonal to rabbit IgG at 1/10000 dilution  
Predicted band size: 46 kDa  
Observed band size: 46 kDa

Immunohistochemistry of paraffin-embedded human kidney tissue using CSB-PA11529A0Rb at dilution of 1:100

Immunohistochemistry of paraffin-embedded human lung cancer using CSB-PA11529A0Rb at dilution of 1:100
