

# CHS1 Antibody, HRP conjugated

|                            |                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA16277B0Rb                                                                      |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                        |
| <b>Uniprot No.</b>         | P08004                                                                               |
| <b>Immunogen</b>           | Recombinant Baker's yeast Chitin synthase 1 protein (4-200AA)                        |
| <b>Raised In</b>           | Rabbit                                                                               |
| <b>Species Reactivity</b>  | Baker's yeast                                                                        |
| <b>Tested Applications</b> | ELISA                                                                                |
| <b>Relevance</b>           | Septum formation and repair, especially under certain adverse conditions.            |
| <b>Form</b>                | Liquid                                                                               |
| <b>Conjugate</b>           | HRP                                                                                  |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4     |
| <b>Purification Method</b> | >95%, Protein G purified                                                             |
| <b>Isotype</b>             | IgG                                                                                  |
| <b>Clonality</b>           | Polyclonal                                                                           |
| <b>Alias</b>               | Chitin synthase 1 (EC 2.4.1.16) (Chitin-UDP acetyl-glucosaminyl transferase 1), CHS1 |
| <b>Species</b>             | Saccharomyces cerevisiae (strain ATCC 204508 / S288c) (Baker's yeast)                |
| <b>Research Area</b>       | Others                                                                               |
| <b>Target Names</b>        | CHS1                                                                                 |
