

# SCARA3 Antibody

|                            |                                                                                            |
|----------------------------|--------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA721489LA01HU                                                                         |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                              |
| <b>Uniprot No.</b>         | Q6AZY7                                                                                     |
| <b>Immunogen</b>           | Recombinant Human Scavenger receptor class A member 3 protein (201-466AA)                  |
| <b>Raised In</b>           | Rabbit                                                                                     |
| <b>Species Reactivity</b>  | Human, Mouse                                                                               |
| <b>Tested Applications</b> | ELISA, WB, IHC; Recommended dilution: WB:1:1000-1:5000, IHC:1:20-1:200                     |
| <b>Relevance</b>           | Seems to protect cells by scavenging oxidative molecules or harmful products of oxidation. |
| <b>Form</b>                | Liquid                                                                                     |
| <b>Conjugate</b>           | Non-conjugated                                                                             |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4           |
| <b>Purification Method</b> | Antigen Affinity Purified                                                                  |
| <b>Isotype</b>             | IgG                                                                                        |
| <b>Clonality</b>           | Polyclonal                                                                                 |
| <b>Alias</b>               | Scavenger receptor class A member 3 (Cellular stress response gene protein), SCARA3, CSR   |
| <b>Species</b>             | Human                                                                                      |
| <b>Research Area</b>       | Cell Biology                                                                               |
| <b>Target Names</b>        | SCARA3                                                                                     |

## Image

### Western blot

All lanes: SCARA3 antibody at 0.8μg/ml

Lane 1: Mouse liver tissue

Lane 2: Mouse kidney tissue

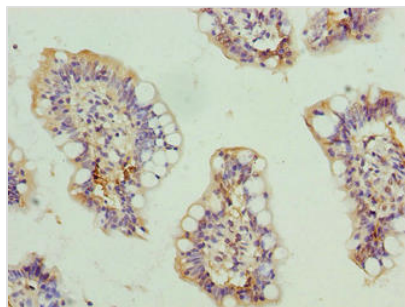

Lane 3: A549 whole cell lysate

Secondary

Goat polyclonal to rabbit IgG at 1/10000 dilution

Predicted band size: 66, 53 kDa

Observed band size: 66 kDa

Immunohistochemistry of paraffin-embedded human small intestine tissue using CSB-PA721489LA01HU at dilution of 1:100
