

# KRT73 Antibody, HRP conjugated

|                            |                                                                                                                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA774833LB01HU                                                                                                                                                                   |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                        |
| <b>Uniprot No.</b>         | Q86Y46                                                                                                                                                                               |
| <b>Immunogen</b>           | Recombinant Human Keratin, type II cytoskeletal 73 protein (1-300AA)                                                                                                                 |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                               |
| <b>Species Reactivity</b>  | Human                                                                                                                                                                                |
| <b>Tested Applications</b> | ELISA                                                                                                                                                                                |
| <b>Relevance</b>           | Has a role in hair formation. Specific component of keratin intermediate filaments in the inner root sheath (IRS) of the hair follicle (Probable).                                   |
| <b>Form</b>                | Liquid                                                                                                                                                                               |
| <b>Conjugate</b>           | HRP                                                                                                                                                                                  |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                                                                                                     |
| <b>Purification Method</b> | >95%, Protein G purified                                                                                                                                                             |
| <b>Isotype</b>             | IgG                                                                                                                                                                                  |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                           |
| <b>Alias</b>               | Keratin, type II cytoskeletal 73 (Cytokeratin-73) (CK-73) (Keratin-73) (K73) (Type II inner root sheath-specific keratin-K6irs3) (Type-II keratin Kb36), KRT73, K6IRS3 KB36 KRT6IRS3 |
| <b>Species</b>             | Homo sapiens (Human)                                                                                                                                                                 |
| <b>Research Area</b>       | Others                                                                                                                                                                               |
| <b>Target Names</b>        | KRT73                                                                                                                                                                                |
