

# SVBP Antibody

|                     |                                                                                                                   |
|---------------------|-------------------------------------------------------------------------------------------------------------------|
| Product Code        | CSB-PA836653LA01HU                                                                                                |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                     |
| Uniprot No.         | Q8N300                                                                                                            |
| Immunogen           | Recombinant Human Small vasohibin-binding protein (1-66AA)                                                        |
| Raised In           | Rabbit                                                                                                            |
| Species Reactivity  | Human                                                                                                             |
| Tested Applications | ELISA                                                                                                             |
| Relevance           | Enhances the solubility and secretion of VASH1 and prevents its ubiquitination. Also enhances secretion of VASH2. |
| Form                | Liquid                                                                                                            |
| Conjugate           | Non-conjugated                                                                                                    |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                                  |
| Purification Method | >95%, Protein G purified                                                                                          |
| Isotype             | IgG                                                                                                               |
| Clonality           | Polyclonal                                                                                                        |
| Alias               | Small vasohibin-binding protein (Coiled coil domain-containing protein 23), SVBP, CCDC23                          |
| Species             | Homo sapiens (Human)                                                                                              |
| Research Area       | Others                                                                                                            |
| Target Names        | SVBP                                                                                                              |
