

# PLD5 Antibody

|                            |                                                                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA836686LA01HU                                                                                                                                   |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                        |
| <b>Uniprot No.</b>         | Q8N7P1                                                                                                                                               |
| <b>Immunogen</b>           | Recombinant Human Inactive phospholipase D5 protein (92-536AA)                                                                                       |
| <b>Raised In</b>           | Rabbit                                                                                                                                               |
| <b>Species Reactivity</b>  | Human                                                                                                                                                |
| <b>Tested Applications</b> | ELISA, IHC; Recommended dilution: IHC:1:20-1:200                                                                                                     |
| <b>Form</b>                | Liquid                                                                                                                                               |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                       |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                                                                     |
| <b>Purification Method</b> | >95%, Protein G purified                                                                                                                             |
| <b>Isotype</b>             | IgG                                                                                                                                                  |
| <b>Clonality</b>           | Polyclonal                                                                                                                                           |
| <b>Alias</b>               | Inactive phospholipase D5 (Inactive PLD 5) (Inactive choline phosphatase 5) (Inactive phosphatidylcholine-hydrolyzing phospholipase D5) (PLDc), PLD5 |
| <b>Species</b>             | Homo sapiens (Human)                                                                                                                                 |
| <b>Research Area</b>       | Cardiovascular                                                                                                                                       |
| <b>Target Names</b>        | PLD5                                                                                                                                                 |
