

# CCT6B Antibody, HRP conjugated

|                     |                                                                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Code        | CSB-PA846076LB01HU                                                                                                                                               |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                    |
| Uniprot No.         | Q92526                                                                                                                                                           |
| Immunogen           | Recombinant Human T-complex protein 1 subunit zeta-2 protein (101-330AA)                                                                                         |
| Raised In           | Rabbit                                                                                                                                                           |
| Species Reactivity  | Human                                                                                                                                                            |
| Tested Applications | ELISA                                                                                                                                                            |
| Relevance           | Molecular chaperone; assists the folding of proteins upon ATP hydrolysis. Known to play a role, in vitro, in the folding of actin and tubulin (By similarity).   |
| Form                | Liquid                                                                                                                                                           |
| Conjugate           | HRP                                                                                                                                                              |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                                                                                 |
| Purification Method | >95%, Protein G purified                                                                                                                                         |
| Isotype             | IgG                                                                                                                                                              |
| Clonality           | Polyclonal                                                                                                                                                       |
| Alias               | T-complex protein 1 subunit zeta-2 (TCP-1-zeta-2) (CCT-zeta-2) (CCT-zeta-like) (TCP-1-zeta-like) (Testis-specific Tcp20) (Testis-specific protein TSA303), CCT6B |
| Species             | Homo sapiens (Human)                                                                                                                                             |
| Research Area       | Others                                                                                                                                                           |
| Target Names        | CCT6B                                                                                                                                                            |
