

# TTLL2 Antibody, HRP conjugated

|                     |                                                                                                                                                   |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Code        | CSB-PA863137LB01HU                                                                                                                                |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                     |
| Uniprot No.         | Q9BWV7                                                                                                                                            |
| Immunogen           | Recombinant Human Probable tubulin polyglutamylase TTLL2 protein (401-592AA)                                                                      |
| Raised In           | Rabbit                                                                                                                                            |
| Species Reactivity  | Human                                                                                                                                             |
| Tested Applications | ELISA                                                                                                                                             |
| Relevance           | Probable tubulin polyglutamylase that forms polyglutamate side chains on tubulin. Probably acts when complexed with other proteins.               |
| Form                | Liquid                                                                                                                                            |
| Conjugate           | HRP                                                                                                                                               |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                                                                  |
| Purification Method | >95%, Protein G purified                                                                                                                          |
| Isotype             | IgG                                                                                                                                               |
| Clonality           | Polyclonal                                                                                                                                        |
| Alias               | Probable tubulin polyglutamylase TTLL2 (EC 6.-.-.-) (Testis-specific protein NYD-TSPG) (Tubulin--tyrosine ligase-like protein 2), TTLL2, C6orf104 |
| Species             | Homo sapiens (Human)                                                                                                                              |
| Research Area       | Others                                                                                                                                            |
| Target Names        | TTLL2                                                                                                                                             |
