

# ZMAT5 Antibody, HRP conjugated

|                            |                                                                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA866211LB01HU                                                                                                                             |
| <b>Abbreviation</b>        | Zinc finger matrin-type protein 5                                                                                                              |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                  |
| <b>Uniprot No.</b>         | Q9UDW3                                                                                                                                         |
| <b>Immunogen</b>           | Recombinant Human Zinc finger matrin-type protein 5 protein (1-170AA)                                                                          |
| <b>Raised In</b>           | Rabbit                                                                                                                                         |
| <b>Species Reactivity</b>  | Human                                                                                                                                          |
| <b>Tested Applications</b> | ELISA                                                                                                                                          |
| <b>Form</b>                | Liquid                                                                                                                                         |
| <b>Conjugate</b>           | HRP                                                                                                                                            |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                                                               |
| <b>Purification Method</b> | >95%, Protein G purified                                                                                                                       |
| <b>Isotype</b>             | IgG                                                                                                                                            |
| <b>Clonality</b>           | Polyclonal                                                                                                                                     |
| <b>Alias</b>               | Zinc finger matrin-type protein 5 (U11/U12 small nuclear ribonucleoprotein 20 kDa protein) (U11/U12 snRNP 20 kDa protein) (U11/U12-20K), ZMAT5 |
| <b>Species</b>             | Homo sapiens (Human)                                                                                                                           |
| <b>Research Area</b>       | Others                                                                                                                                         |
| <b>Target Names</b>        | ZMAT5                                                                                                                                          |
