

# RASL12 Antibody

|                     |                                                                                  |
|---------------------|----------------------------------------------------------------------------------|
| Product Code        | CSB-PA878926LA01HU                                                               |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                    |
| Uniprot No.         | Q9NYN1                                                                           |
| Immunogen           | Recombinant Human Ras-like protein family member 12 protein (1-266AA)            |
| Raised In           | Rabbit                                                                           |
| Species Reactivity  | Human                                                                            |
| Tested Applications | ELISA                                                                            |
| Form                | Liquid                                                                           |
| Conjugate           | Non-conjugated                                                                   |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4 |
| Purification Method | >95%, Protein G purified                                                         |
| Isotype             | IgG                                                                              |
| Clonality           | Polyclonal                                                                       |
| Alias               | Ras-like protein family member 12 (Ras-like protein Ris), RASL12, RIS            |
| Species             | Human                                                                            |
| Research Area       | Signal Transduction                                                              |
| Target Names        | RASL12                                                                           |
