

# SERPINA10 Antibody

|                            |                                                                                                                                                                   |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA891944ESR1HU                                                                                                                                                |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                     |
| <b>Uniprot No.</b>         | Q9UK55                                                                                                                                                            |
| <b>Immunogen</b>           | Recombinant Human Protein Z-dependent protease inhibitor protein (165-444AA)                                                                                      |
| <b>Raised In</b>           | Rabbit                                                                                                                                                            |
| <b>Species Reactivity</b>  | Human                                                                                                                                                             |
| <b>Tested Applications</b> | ELISA, IHC; Recommended dilution: IHC:1:20-1:200                                                                                                                  |
| <b>Relevance</b>           | Inhibits activity of the coagulation protease factor Xa in the presence of PROZ, calcium and phospholipids. Also inhibits factor XIa in the absence of cofactors. |
| <b>Form</b>                | Liquid                                                                                                                                                            |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                    |
| <b>Storage Buffer</b>      | PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                                                                                                                 |
| <b>Purification Method</b> | Antigen Affinity Purified                                                                                                                                         |
| <b>Isotype</b>             | IgG                                                                                                                                                               |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                        |
| <b>Alias</b>               | Protein Z-dependent protease inhibitor (PZ-dependent protease inhibitor) (PZI) (Serpina A10), SERPINA10, ZPI                                                      |
| <b>Species</b>             | Human                                                                                                                                                             |
| <b>Research Area</b>       | Cardiovascular                                                                                                                                                    |
| <b>Target Names</b>        | SERPINA10                                                                                                                                                         |
