

Human anti-thrombopoietin autoantibody (IgG) ELISA kit

Product Code	CSB-E12989h																
Abbreviation	TPO auto-Ab (IgG)																
Target Name	anti-thrombopoietin autoantibody (IgG)																
Product Type	ELISA Kit																
Immunogen Species	Homo sapiens (Human)																
Sample Types	serum																
Detection Range	Request Information																
Sensitivity	Request Information																
Assay Time	1-5h																
Sample Volume	50-100ul																
Detection Wavelength	450 nm																
Lead Time	3-5 working days after you place the order, and it takes another 3-5 days for delivery via DHL or FedEx.																
Research Area	Others																
Tag Info	qualitative																
Protein Description	Indirect																
Product Precision	Intra-assay Precision (Precision within an assay): CV%<15% Three samples of known concentration were tested twenty times on one plate to assess. Inter-assay Precision (Precision between assays): CV%<15% Three samples of known concentration were tested in twenty assays to assess.
