

# Human Layilin(LAYN) ELISA kit

|                      |                                                                                                          |
|----------------------|----------------------------------------------------------------------------------------------------------|
| Product Code         | CSB-EL012772HU                                                                                           |
| Abbreviation         | LAYN                                                                                                     |
| Target Name          | layilin                                                                                                  |
| Uniprot No.          | Q6UX15                                                                                                   |
| Alias                | FLJ30977, FLJ31092                                                                                       |
| Product Type         | ELISA Kit                                                                                                |
| Immunogen Species    | Homo sapiens (Human)                                                                                     |
| Sample Types         | serum, plasma, tissue homogenates                                                                        |
| Detection Range      | 15.6 pg/mL-1000 pg/mL                                                                                    |
| Sensitivity          | 3.9 pg/mL                                                                                                |
| Assay Time           | 1-5h                                                                                                     |
| Sample Volume        | 50-100ul                                                                                                 |
| Detection Wavelength | 450 nm                                                                                                   |
| Lead Time            | 3-5 working days after you place the order, and it takes another 3-5 days for delivery via DHL or FedEx. |
| Research Area        | Signal Transduction                                                                                      |
| Gene Names           | LAYN                                                                                                     |
| Tag Info             | quantitative                                                                                             |
| Protein Description  | Sandwich                                                                                                 |
| Product Precision    |                                                                                                          |
| Linearity            |                                                                                                          |
| Recovery             |                                                                                                          |
| Typical              |                                                                                                          |
