

# CASP9 Monoclonal Antibody

|                            |                                                                                                                                                   |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-MA000235                                                                                                                                      |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                     |
| <b>Uniprot No.</b>         | P55211                                                                                                                                            |
| <b>Immunogen</b>           | Synthetic Peptide                                                                                                                                 |
| <b>Raised In</b>           | Mouse                                                                                                                                             |
| <b>Species Reactivity</b>  | Human,Mouse,Rat                                                                                                                                   |
| <b>Tested Applications</b> | ELISA,WB,IP;Recommended dilution:WB:1:500-1:5000,IP:1:200-1:2000                                                                                  |
| <b>Form</b>                | Liquid                                                                                                                                            |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                    |
| <b>Storage Buffer</b>      | PBS, pH 7.4, containing 0.02% sodium azide as Preservative and 50% Glycerol.                                                                      |
| <b>Isotype</b>             | IgG                                                                                                                                               |
| <b>Alias</b>               | CASP9; MCH6; Caspase-9; CASP-9; Apoptotic protease Mch-6; Apoptotic protease-activating factor 3; APAF-3; ICE-like apoptotic protease 6; ICE-LAP6 |
| <b>Product Type</b>        | Monoclonal Antibody                                                                                                                               |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                              |
| <b>Gene Names</b>          | CASP9                                                                                                                                             |
