

Vitamin B12-BSA conjugate

Product Code	CSB-MC00491b0105
Carrier Protein	Bovine serum albumin (BSA)
Storage	Short-term store at 4°C.Long-term store at -20°C. Avoid repeated freeze.
Tested Applications	ELISA, Immune colloidal gold, Immunochromatography
Storage Buffer	0.01mol/L, pH 7.4 PBS
Purification Method	Dialysis
Alias	Anacobin,berubigen,cobalin,cyanocobalamin,dobetin, vibicon
Product Type	Other Small Molecule Antigen
Lead Time	3-7 business days
Gene Names	VB12
Form	Dry powder
