

# PYCARD Antibody

|                            |                                                                                                                                                                                                                               |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA000940                                                                                                                                                                                                                  |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                                                                 |
| <b>Uniprot No.</b>         | Q9ULZ3                                                                                                                                                                                                                        |
| <b>Immunogen</b>           | Synthesized peptide derived from the N-terminal region of Human ASC.                                                                                                                                                          |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                                                                        |
| <b>Species Reactivity</b>  | Human,Mouse,Rat                                                                                                                                                                                                               |
| <b>Tested Applications</b> | WB, IHC, IF, ELISA; WB:1:500-1:2000, IHC:1:100-1:300, IF:1:200-1:1000, ELISA:1:40000                                                                                                                                          |
| <b>Form</b>                | Liquid                                                                                                                                                                                                                        |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                                                                                |
| <b>Storage Buffer</b>      | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                                                       |
| <b>Purification Method</b> | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                                                         |
| <b>Isotype</b>             | IgG                                                                                                                                                                                                                           |
| <b>Alias</b>               | PYCARD; ASC; CARD5; TMS1; Apoptosis-associated speck-like protein containing a CARD; hASC; Caspase recruitment domain-containing protein 5; PYD and CARD domain-containing protein; Target of methylation-induced silencing 1 |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                                                                                                          |
| <b>Target Names</b>        | PYCARD                                                                                                                                                                                                                        |
