

# ACADS Antibody

|                            |                                                                                                                   |
|----------------------------|-------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA001127ESR2HU                                                                                                |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                     |
| <b>Uniprot No.</b>         | P16219                                                                                                            |
| <b>Immunogen</b>           | Recombinant Human Short-chain specific acyl-CoA dehydrogenase, mitochondrial protein (1-260AA)                    |
| <b>Raised In</b>           | Rabbit                                                                                                            |
| <b>Species Reactivity</b>  | Human                                                                                                             |
| <b>Tested Applications</b> | ELISA, WB, IHC; Recommended dilution: WB:1:500-1:1000, IHC:1:20-1:200                                             |
| <b>Form</b>                | Liquid                                                                                                            |
| <b>Conjugate</b>           | Non-conjugated                                                                                                    |
| <b>Storage Buffer</b>      | PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                                                                 |
| <b>Purification Method</b> | Antigen Affinity Purified                                                                                         |
| <b>Isotype</b>             | IgG                                                                                                               |
| <b>Clonality</b>           | Polyclonal                                                                                                        |
| <b>Alias</b>               | Short-chain specific acyl-CoA dehydrogenase, mitochondrial (SCAD) (EC 1.3.8.1) (Butyryl-CoA dehydrogenase), ACADS |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                              |
| <b>Research Area</b>       | Signal Transduction                                                                                               |
| <b>Target Names</b>        | ACADS                                                                                                             |

## Image

### Western blot

All lanes: Short-chain specific acyl-CoA dehydrogenase, mitochondrial antibody at 7μg/ml

Lane 1: 293T whole cell lysate

Lane 2: HepG2 whole cell lysate

Secondary

Goat polyclonal to rabbit IgG at 1/10000 dilution

Predicted band size: 44 kDa

Observed band size: 44 kDa

Immunohistochemistry of paraffin-embedded human liver tissue using CSB-PA001127ESR2HU at dilution of 1:100

Immunohistochemistry of paraffin-embedded human pancreatic tissue using CSB-PA001127ESR2HU at dilution of 1:100
