

# GRK2 Antibody

|                            |                                                                                                                              |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA001394DSR1HU                                                                                                           |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                |
| <b>Uniprot No.</b>         | P25098                                                                                                                       |
| <b>Immunogen</b>           | Recombinant Human Beta-adrenergic receptor kinase 1 protein (440-689AA)                                                      |
| <b>Raised In</b>           | Rabbit                                                                                                                       |
| <b>Species Reactivity</b>  | Human, Mouse                                                                                                                 |
| <b>Tested Applications</b> | ELISA, WB; Recommended dilution: WB:1:200-1:1000                                                                             |
| <b>Form</b>                | Liquid                                                                                                                       |
| <b>Conjugate</b>           | Non-conjugated                                                                                                               |
| <b>Storage Buffer</b>      | PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                                                                            |
| <b>Purification Method</b> | Antigen Affinity Purified                                                                                                    |
| <b>Isotype</b>             | IgG                                                                                                                          |
| <b>Clonality</b>           | Polyclonal                                                                                                                   |
| <b>Alias</b>               | Beta-adrenergic receptor kinase 1 (Beta-ARK-1) (EC 2.7.11.15) (G-protein coupled receptor kinase 2), GRK2, ADRBK1 BARK BARK1 |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                         |
| <b>Research Area</b>       | Neuroscience                                                                                                                 |
| <b>Target Names</b>        | GRK2                                                                                                                         |

## Image

### Western blot

All lanes: ADRBK1 antibody at 3μg/ml + Mouse brain tissue

### Secondary

Goat polyclonal to rabbit IgG at 1/10000 dilution

Predicted band size: 80 kDa

Observed band size: 80 kDa
