

# HDAC9 Antibody

|                            |                                                                                                                                                                                               |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA002917                                                                                                                                                                                  |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                                 |
| <b>Uniprot No.</b>         | Q9UKV0-5,6,7                                                                                                                                                                                  |
| <b>Immunogen</b>           | Synthesized peptide derived from the C-terminal region of Human Histone deacetylase 9.                                                                                                        |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                                        |
| <b>Species Reactivity</b>  | Human                                                                                                                                                                                         |
| <b>Tested Applications</b> | WB, IHC, IF, ELISA; WB:1:500-1:2000, IHC:1:100-1:300, IF:1:200-1:1000, ELISA:1:10000                                                                                                          |
| <b>Form</b>                | Liquid                                                                                                                                                                                        |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                                                |
| <b>Storage Buffer</b>      | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                       |
| <b>Purification Method</b> | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                         |
| <b>Isotype</b>             | IgG                                                                                                                                                                                           |
| <b>Alias</b>               | Histone deacetylase 9; HD9; Histone deacetylase 7B; HD7; HD7b; Histone deacetylase-related protein; MEF2-interacting transcription repressor MITR; HDAC9; HDAC7; HDAC7B; HDRP; KIAA0744; MITR |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                                                                          |
| <b>Target Names</b>        | HDAC9                                                                                                                                                                                         |
