

# PTPN11 Antibody

|                            |                                                                                                                                                                                           |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA004086                                                                                                                                                                              |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                             |
| <b>Uniprot No.</b>         | Q06124                                                                                                                                                                                    |
| <b>Immunogen</b>           | Synthesized peptide derived from Human SH-PTP2 around the non-phosphorylation site of Y580.                                                                                               |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                                    |
| <b>Species Reactivity</b>  | Human,Mouse,Rat                                                                                                                                                                           |
| <b>Tested Applications</b> | WB, IHC, ELISA; WB:1:500-1:2000, IHC:1:100-1:300, ELISA:1:20000                                                                                                                           |
| <b>Form</b>                | Liquid                                                                                                                                                                                    |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                                            |
| <b>Storage Buffer</b>      | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                   |
| <b>Purification Method</b> | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                     |
| <b>Isotype</b>             | IgG                                                                                                                                                                                       |
| <b>Alias</b>               | PTPN11; PTP2C; SHPTP2; Tyrosine-protein phosphatase non-receptor type 11; Protein-tyrosine phosphatase 1D; PTP-1D; Protein-tyrosine phosphatase 2C; PTP-2C; SH-PTP2; SHP-2; Shp2; SH-PTP3 |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                                                                      |
| <b>Target Names</b>        | PTPN11                                                                                                                                                                                    |
