

# CX3CR1 Antibody

|                            |                                                                                                                                                                                        |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA004776                                                                                                                                                                           |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                          |
| <b>Uniprot No.</b>         | P49238                                                                                                                                                                                 |
| <b>Immunogen</b>           | Synthesized peptide derived from the Internal region of Human Fractalkine Receptor.                                                                                                    |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                                 |
| <b>Species Reactivity</b>  | Human,Mouse,Rat                                                                                                                                                                        |
| <b>Tested Applications</b> | WB, ELISA; WB:1:500-1:2000, ELISA:1:20000                                                                                                                                              |
| <b>Form</b>                | Liquid                                                                                                                                                                                 |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                                         |
| <b>Storage Buffer</b>      | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                |
| <b>Purification Method</b> | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                  |
| <b>Isotype</b>             | IgG                                                                                                                                                                                    |
| <b>Alias</b>               | CX3CR1; CMKBRL1; GPR13; CX3C chemokine receptor 1; C-X3-C CKR-1; CX3CR1; Beta chemokine receptor-like 1; CMK-BRL-1; CMK-BRL1; Fractalkine receptor; G-protein coupled receptor 13; V28 |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                                                                   |
| <b>Target Names</b>        | CX3CR1                                                                                                                                                                                 |
