

# Phospho-KIT (Y703) Antibody

|                            |                                                                                                                                                                                                                                        |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA009647                                                                                                                                                                                                                           |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                                                                          |
| <b>Uniprot No.</b>         | P10721                                                                                                                                                                                                                                 |
| <b>Immunogen</b>           | Synthesized peptide derived from Human c-Kit around the phosphorylation site of Y703.                                                                                                                                                  |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                                                                                 |
| <b>Species Reactivity</b>  | Human, Mouse                                                                                                                                                                                                                           |
| <b>Tested Applications</b> | WB, IHC, ELISA; WB:1:500-1:2000, IHC:1:100-1:300, ELISA:1:5000                                                                                                                                                                         |
| <b>Form</b>                | Liquid                                                                                                                                                                                                                                 |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                                                                                         |
| <b>Storage Buffer</b>      | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                                                                                                |
| <b>Purification Method</b> | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen.                                                                                                                  |
| <b>Isotype</b>             | IgG                                                                                                                                                                                                                                    |
| <b>Alias</b>               | KIT; SCFR; Mast/stem cell growth factor receptor Kit; SCFR; Piebald trait protein; PBT; Proto-oncogene c-Kit; Tyrosine-protein kinase Kit; p145 c-kit; v-kit Hardy-Zuckerman 4 feline sarcoma viral oncogene homolog; CD antigen CD117 |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                                                                                                                   |
| <b>Target Names</b>        | KIT                                                                                                                                                                                                                                    |
