

# IGHMBP2 Antibody

|                            |                                                                                                                                                                               |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA011172LA01HU                                                                                                                                                            |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                 |
| <b>Uniprot No.</b>         | P38935                                                                                                                                                                        |
| <b>Immunogen</b>           | Recombinant Human DNA-binding protein SMUBP-2 protein (646-884AA)                                                                                                             |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                        |
| <b>Species Reactivity</b>  | Human                                                                                                                                                                         |
| <b>Tested Applications</b> | ELISA, IHC; Recommended dilution: IHC:1:20-1:200                                                                                                                              |
| <b>Form</b>                | Liquid                                                                                                                                                                        |
| <b>Conjugate</b>           | Non-conjugated                                                                                                                                                                |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, PH 7.4                                                                                              |
| <b>Purification Method</b> | >95%, Protein G purified                                                                                                                                                      |
| <b>Isotype</b>             | IgG                                                                                                                                                                           |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                    |
| <b>Alias</b>               | DNA-binding protein SMUBP-2 (EC 3.6.4.12) (EC 3.6.4.13) (ATP-dependent helicase IGHMBP2) (Glial factor 1) (GF-1) (Immunoglobulin mu-binding protein 2), IGHMBP2, SMBP2 SMUBP2 |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                                                          |
| <b>Research Area</b>       | Microbiology                                                                                                                                                                  |
| <b>Target Names</b>        | IGHMBP2                                                                                                                                                                       |
