

# INSR Antibody, FITC conjugated

|                     |                                                                                                                                            |
|---------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Product Code        | CSB-PA011753LC01HU                                                                                                                         |
| Storage             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                              |
| Uniprot No.         | P06213                                                                                                                                     |
| Immunogen           | Recombinant Human Insulin receptor protein (1023-1298AA)                                                                                   |
| Raised In           | Rabbit                                                                                                                                     |
| Species Reactivity  | Human                                                                                                                                      |
| Form                | Liquid                                                                                                                                     |
| Conjugate           | FITC                                                                                                                                       |
| Storage Buffer      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH 7.4                                                           |
| Purification Method | >95%, Protein G purified                                                                                                                   |
| Isotype             | IgG                                                                                                                                        |
| Clonality           | Polyclonal                                                                                                                                 |
| Alias               | Insulin receptor (IR) (EC 2.7.10.1) (CD antigen CD220) [Cleaved into: Insulin receptor subunit alpha; Insulin receptor subunit beta], INSR |
| Immunogen Species   | Homo sapiens (Human)                                                                                                                       |
| Research Area       | Signal Transduction                                                                                                                        |
| Target Names        | INSR                                                                                                                                       |
