

# LRP2 Antibody

|                            |                                                                                       |
|----------------------------|---------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA013096GA01HU                                                                    |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                         |
| <b>Uniprot No.</b>         | P98164                                                                                |
| <b>Immunogen</b>           | Human LRP2-Specific                                                                   |
| <b>Raised In</b>           | Rabbit                                                                                |
| <b>Species Reactivity</b>  | Human                                                                                 |
| <b>Tested Applications</b> | ELISA,WB                                                                              |
| <b>Storage Buffer</b>      | PBS with 0.02% Sodium Azide, 50% Glycerol, pH 7.3. -20°C, Avoid freeze / thaw cycles. |
| <b>Purification Method</b> | Antigen Affinity purified                                                             |
| <b>Isotype</b>             | IgG                                                                                   |
| <b>Alias</b>               | low density lipoprotein-related protein 2;LRP2;DBS;gp330 ;Megalin                     |
| <b>Product Type</b>        | Purified Rabbit Anti Human PolyClonal Antibody                                        |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                  |
| <b>Research Area</b>       | Immunology                                                                            |
| <b>Target Names</b>        | LRP2                                                                                  |
