

# MAEA Antibody, Biotin conjugated

|                            |                                                                                                                                                                                   |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA013310LD01HU                                                                                                                                                                |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                     |
| <b>Uniprot No.</b>         | Q7L5Y9                                                                                                                                                                            |
| <b>Immunogen</b>           | Recombinant Human Macrophage erythroblast attacher protein (299-356AA)                                                                                                            |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                            |
| <b>Species Reactivity</b>  | Human                                                                                                                                                                             |
| <b>Tested Applications</b> | ELISA                                                                                                                                                                             |
| <b>Form</b>                | Liquid                                                                                                                                                                            |
| <b>Conjugate</b>           | Biotin                                                                                                                                                                            |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH 7.4                                                                                                  |
| <b>Purification Method</b> | >95%, Protein G purified                                                                                                                                                          |
| <b>Isotype</b>             | IgG                                                                                                                                                                               |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                        |
| <b>Alias</b>               | Macrophage erythroblast attacher (Cell proliferation-inducing gene 5 protein)<br>(Erythroblast macrophage protein) (Human lung cancer oncogene 10 protein)<br>(HLC-10), MAEA, EMP |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                                                              |
| <b>Research Area</b>       | Immunology                                                                                                                                                                        |
| <b>Target Names</b>        | MAEA                                                                                                                                                                              |
