

# MAP2K1 Antibody, FITC conjugated

|                            |                                                                                                                                                                                           |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA013409LC01HU                                                                                                                                                                        |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                                                             |
| <b>Uniprot No.</b>         | Q02750                                                                                                                                                                                    |
| <b>Immunogen</b>           | Recombinant Human Dual specificity mitogen-activated protein kinase kinase 1 protein (2-79AA)                                                                                             |
| <b>Raised In</b>           | Rabbit                                                                                                                                                                                    |
| <b>Species Reactivity</b>  | Human                                                                                                                                                                                     |
| <b>Form</b>                | Liquid                                                                                                                                                                                    |
| <b>Conjugate</b>           | FITC                                                                                                                                                                                      |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH 7.4                                                                                                          |
| <b>Purification Method</b> | >95%, Protein G purified                                                                                                                                                                  |
| <b>Isotype</b>             | IgG                                                                                                                                                                                       |
| <b>Clonality</b>           | Polyclonal                                                                                                                                                                                |
| <b>Alias</b>               | Dual specificity mitogen-activated protein kinase kinase 1 (MAP kinase kinase 1) (MAPKK 1) (MKK1) (EC 2.7.12.2) (ERK activator kinase 1) (MAPK/ERK kinase 1) (MEK 1), MAP2K1, MEK1 PRKMK1 |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                                                                      |
| <b>Research Area</b>       | Signal Transduction                                                                                                                                                                       |
| <b>Target Names</b>        | MAP2K1                                                                                                                                                                                    |
