

# P4HA1 Antibody, FITC conjugated

|                            |                                                                                                                                                          |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA017339LC01HU                                                                                                                                       |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                                                                            |
| <b>Uniprot No.</b>         | P13674                                                                                                                                                   |
| <b>Immunogen</b>           | Recombinant Human Prolyl 4-hydroxylase subunit alpha-1 protein (256-525AA)                                                                               |
| <b>Raised In</b>           | Rabbit                                                                                                                                                   |
| <b>Species Reactivity</b>  | Human                                                                                                                                                    |
| <b>Form</b>                | Liquid                                                                                                                                                   |
| <b>Conjugate</b>           | FITC                                                                                                                                                     |
| <b>Storage Buffer</b>      | Preservative: 0.03% Proclin 300<br>Constituents: 50% Glycerol, 0.01M PBS, pH 7.4                                                                         |
| <b>Purification Method</b> | >95%, Protein G purified                                                                                                                                 |
| <b>Isotype</b>             | IgG                                                                                                                                                      |
| <b>Clonality</b>           | Polyclonal                                                                                                                                               |
| <b>Alias</b>               | Prolyl 4-hydroxylase subunit alpha-1 (4-PH alpha-1) (EC 1.14.11.2)<br>(Procollagen-proline,2-oxoglutarate-4-dioxygenase subunit alpha-1), P4HA1,<br>P4HA |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                                                                     |
| <b>Research Area</b>       | Tags & Cell Markers                                                                                                                                      |
| <b>Target Names</b>        | P4HA1                                                                                                                                                    |
