

# PDCD5 Antibody

|                            |                                                                                                          |
|----------------------------|----------------------------------------------------------------------------------------------------------|
| <b>Product Code</b>        | CSB-PA017671ESR2HU                                                                                       |
| <b>Storage</b>             | Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.                                            |
| <b>Uniprot No.</b>         | O14737                                                                                                   |
| <b>Immunogen</b>           | Recombinant Human Programmed cell death protein 5 protein (1-125AA)                                      |
| <b>Raised In</b>           | Rabbit                                                                                                   |
| <b>Species Reactivity</b>  | Human                                                                                                    |
| <b>Tested Applications</b> | ELISA, IHC; Recommended dilution: IHC:1:20-1:200                                                         |
| <b>Form</b>                | Liquid                                                                                                   |
| <b>Conjugate</b>           | Non-conjugated                                                                                           |
| <b>Storage Buffer</b>      | PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                                                        |
| <b>Purification Method</b> | Antigen Affinity Purified                                                                                |
| <b>Isotype</b>             | IgG                                                                                                      |
| <b>Clonality</b>           | Polyclonal                                                                                               |
| <b>Alias</b>               | Programmed cell death protein 5 (TF-1 cell apoptosis-related protein 19) (Protein TFAR19), PDCD5, TFAR19 |
| <b>Immunogen Species</b>   | Homo sapiens (Human)                                                                                     |
| <b>Research Area</b>       | Cell Biology                                                                                             |
| <b>Target Names</b>        | PDCD5                                                                                                    |
